

Be Inspired!

By Our Wonderful Young People

During our 23rd April Online St Georges Day Celebration, we asked those participating – adults and youth members – to tell us what they were doing to live up to their Promises and help other people during the current coronavirus shut down.

What they shared – hundreds of them, and especially our youth members – was inspiring, providing an insight into the different circumstances in which we all find ourselves and how we can all help one another in different ways

(Note that we have removed all names in accordance with data protection and safeguarding guidelines.)

We made some cakes and delivered them to neighbours and friends.

One of our Beavers from 1st Framwellgate Moor Thursday Colony has walked 6 miles for his Hike To The Moon and has donated. Another has completed his hike recording his steps with his sister and using her Fitbit. Another went on a run of 5km with his Mum raising money for the NHS and Hike To The Moon. He donated his pocket money to both of the charities. Another walked 2,5 miles to raise some extra money. We have had a fantastic take up and have had lots of lovely photographs coming in of the hikes. We are very proud of them all.

I find this an amazing time to do more badges and to make achievements you may have not had time to do before with Scouting.
