Issue 1: 16th May 2020

## We have Fun Fotoz Online!

Thanks to Kieran Dye (Scout Leader at 1<sup>st</sup> Newfield Scouts in Chester-le-Street) and Fun Fotoz, we have set up a photo sharing account for the weekend.

As well as posting in the Camp@Home Facebook group, this allows you to upload your photographs from Camp@Home, and to view a slideshow of everyone else's photographs.

After the event we'll then be able to download and share a video slideshow of all of your favourite Camp@Home photographs and treasure the memories of our first Camp@Home.

## Guest Login Details

You can login and upload photos until 8pm on Sunday 17th May.

- **Website access:** [www.funfotoz.co.uk/fotozonline](http://www.funfotoz.co.uk/fotozonline)
- **Password:** durhamcamp

We want you to upload as many photos as you can, within the login time, with what you are doing during Durham Camp@Home!

On the website above, you can “Upload Photos” and “View Slideshow” by using the buttons which look like this:

Fun Fotoz

While you're there, take a look at the Fun Fotoz website and think about their live photo sharing service for when we can all meet again together.

Why not pop over to the Fun Fotoz Facebook Group, say thanks for providing the service for us this weekend and give them a like!
