

# Getting your uniform ready -

Camp@Home2: The Jamboree  
31<sup>st</sup> July to 2<sup>nd</sup> August 2020

It's tradition to start and finish the camp wearing your uniform - so we'll wear it to the closing ceremony!

## Getting your uniform ready

### Jumpers and shirts

First step is getting your uniform jumpers and shirts ironed. Get a grown up to help you do this if you don't know how – and please be careful!

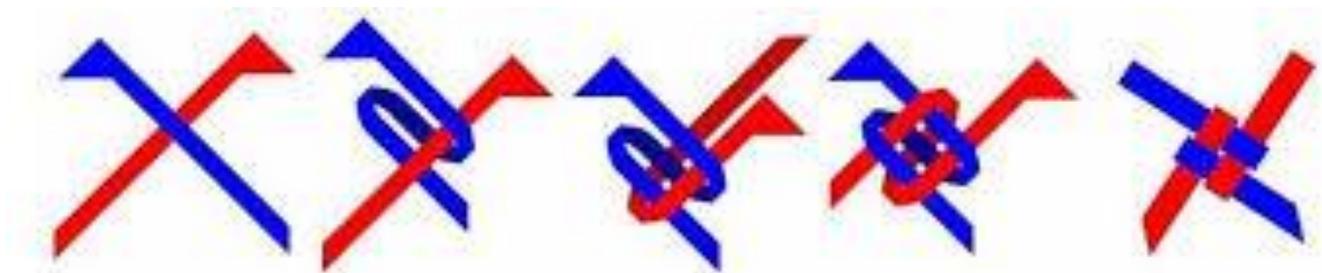

If you have any badges to sew on you can do that too – remember to check the uniform diagrams for [Beavers](#), [Cubs](#), [Scouts](#) and [Explorers](#) (and [Leaders](#))

### Second step – rolling your neckerchief up!

There's a few ways you can roll it up, but if you want to make it super neat we recommend either rolling it with the help of someone else (check the video in the event for a 'How To'), or by making one fold at a time and ironing each fold as you go, it'll keep it's shape a little bit better.

### Tying up your neckerchief

'Proper' uniform says you should use a woggle, but a lot of people also use a friendship knot if they don't have a woggle.

Cubs especially can work towards badges if you help your grownups do this challenge – so make sure you share your photos in the ['get your uniform ready – POP UP ACTIVITY' event](#) in the Facebook group.

## What badges could I work towards?
