

## What is Eurojam 2020?

A new inspiring Scout and Guide adventure awaits in the summer of 2020.

The European Jamboree – a new, inspiring Scout and Guide adventure awaits you in the summer of 2020. After the last Eurojam in 2005 in the United Kingdom, the European Jamboree returns to gather young people from all over Europe and the world in Gdańsk, Poland to celebrate Scout and Guide values, strengthen our international community and provide young people with the opportunity to meet and learn from each other.

## Educational Motto: ACT

Every Scout and Guide possesses potential to become a driver of social change. You are all invited to come to the Jamboree and discover your power! Scouts and Guides will inter-ACT with others of various cultures, of various languages and various countries. You will learn through adventures, eye-opening discussions, and inspiring workshops. You will discover your power and find out where your helping hands are needed. You will have a chance to ACT using your new skills and make a change in the society.

## Where

**Gdańsk (Sobieszewo Island), Poland.**

Sobieszewo is a unique district of the city of Gdańsk, Sobieszewo Island is an area of about 35 km<sup>2</sup> with more than 1000 ha of woods. The beach, 11 km long, is the longest one in Gdańsk and includes two guarded bathing areas.

On the Island there are two nature reserves: Ptasi Raj (Birds' Paradise) on the western end of Śmiała Wisła and Mewia Łacha (Seagull Dune) on the East, near Przekop Wisły.

As an act of recognition of Sobieszewo Island's natural beauty and unique value, the area has been granted the status of a legally protected nature park.

We also plan on spending a few days in Krakow at the end of the Jamboree to learn more about Polands History.

## **Cost**

This is always the important question, and the honest answer is we do not know! The leadership team have decided on a top price of £1500, although this depends on the unit itself.

In keeping with the UK Youth Shape values, and because of the flexibility of the Jamboree, key decisions are going to be made by the unit – such as what attractions we visit in Krakow after the Jamboree – the decision will be yours!

Whatever the cost though, there will be fundraising options available – making this the most accessible Jamboree ever!

## **Selection process**

Every County in the UK has been given 36 places to form a unit. We are expecting this camp to be very popular, and a selection weekend is the fairest way to select the participants.

The selection weekend is a free weekend of activities, where we just want the participants to come and have fun. Eurojam in 2020 is open to 14-18 year olds, the selection weekend is open to all Scouts and Explorers born between 27/07/2002 and 27/07/2006.

The selection weekend will be held at Moorhouse Activity Centre on 16<sup>th</sup> February. Exact details will be available once the application process has ended.
