Everyone knows the first night of camp is full of sugar, right? Well we thought we'd challenge you to make your best Camp@Home mug cake, just in time for supper.

Make a mug cake

Mug cakes are quick and easy to make, and we hope less messy than baking a regular cake (Sorry grown ups!). Why not try giving our camp favourite chocolate mug cake a go, or your own favourite recipe!

Our favourite chocolate mug cake:

- Add 4tbsp of self-raising flour, 4 tbsp caster sugar and 2 tbsp cocoa powder to the biggest mug you have, and mix
- Add 1 medium egg and mix in as much as you can
- Add 3 tbsp milk, 3 tbsp vegetable or sunflower oil and a few drops of vanilla essence and mix till smooth
- Add about 2tbsp of your favourite chopped up chocolate, or chocolate chips, and mix
- Put your mug in the middle of the microwave, and cook on high for 1 ½ to 2 minutes or until its stopped rising.
- Eat!

If you're feeling generous, you could make another mug cake for other people in your house, or even better - help them make one with you!

When you've made your mug cake, share your photos and your own combinations and/or recipes to the 'make a mug cake' event in the Camp@Home Facebook group.
